Kindness Open

Our Mission

We welcome adults at risk of or experiencing homelessness. Working collaboratively, we provide access to a spectrum of care that supports each person's transition to the most independent living possible — including emergency shelter, programs and services, and affordable and supported housing. We are a values-driven agency and we believe in the work that we do.

**By supporting the 2023 Kindness Open, you are helping us
build a community where everyone can
find their way home!**
