

Who The Recovery Transition Program Is For

- Individuals aged 18 and above
- Individuals who can perform activities of daily living independently
- Individuals who have completed detox, as the Recovery Transition program does not provide medical support for withdrawal management
- Individuals who have a confirmed start date OR application in progress to a treatment centre or recovery program

Important Things to Know Before Making a Referral

- The program space is co-ed. Sleeping areas are separated by gender, however, individuals will interact during groups, meals, walks and other shared activities.
- The program space is not fully accessible, a referral may be declined if the individual's mobility or safety needs cannot be adequately supported
- Nicotine products are permitted (disposable vapes only)
- A Urine Drug Screen will be completed and results reviewed prior to intake
- Individuals referred from hospital will require 3 days of bridging medications
- Only 2 bags per individual will be permitted as storage space is limited
- All medications will be dispensed by Mint Pharmacy: Blue Bottle for the duration of the program stay
- Electronics permitted: 1 cellphone and/or 1 large electronic device (laptop, tablet, Ipad)
 - Facetime/Photography is prohibited
- All DI programs are unable to provide care for individuals deemed *Beyond Level of Care* (i.e. medical needs exceed capacity), this includes:
